By the experience of 75 of your neighbors and friends, keep this fact ever before your mind: The average GAS BILL per month in 75 residences right here in Maysville-where Gas Ranges were in use last summer for the months of June, July, August and September-was \$2.81. Think of it, 9% cents per day. Where are you getting any such value with any 10 cents that you spend? No other means that you can command will work such wonders at so small a cost. THE Manufacturers Association of Covington has resolved against the whisky tax in the proposed Revenue Bill now before the extra session of the Legislature. It says that "it will influence capital in the state to leave it and in doing so influence capital out of the state to stay out of Kentucky." Just as if every Kentucky Legislature of recent years hasn't done its level best to accomplish that very thing. When the voters of Kentucky make up their minds to lay aside politics long enough to elect business men to make laws for them, they will have laws that will benefit the people instead of the politicians.

#### WHICH HELPS YOU?

Home Merchant or the Merchant in Some Other City?

The following applies to Maysville as well as to nearly every other city within gunshot-

"Who sympathized with you when your little girl was sick? Was it Sears & Roebuck? Who earried you last winter when you were out of a job and had no money? Was it Montgomery Ward & Co., or was it your home merchant? When you want to raise money for the Church or for some needy person in town, do you write to The Fair in Chicago, or do you write to your merchant? How much do Siegel, Cooper & Co. give towards keeping up sidewalks or paying the Minister's salary? When you were sick, how many nights did Hibbard, Spencer, Bartlett & Co. sit up with you? And who pays you a bill nearly every month in Maysville or the machine owner in Michigan?

The time-worn injunction, "Never put off 'til to-morrow what you can do today," is now generally presented in this
form: "Do it to-day!" That is the terse
advice we want to give you about that
hacking cough or demoralizing cold with
which you have been struggling for several days, perhaps weeks. Take some
reliable remedy for it To-DAY—and let
that remedy be Dr. Boschee's German
Syrup, which has been in use for over
thirty-five years. A few doses of it will
undoubtedly relieve your cough or cold,
and its continued use for a few days will off 'til to-morrow what you can do toand its continued use for a few days will cure you completely. ¶No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure— as it has done before in thousands of apparently hopeless cases of lung trouble.

Ex-Maysville Men Who've Marched to the Front

In Cincinnati Otto H. L. Wernicke sued out an injunction against the Miami Improvement Company, Henry C. Yeiser, William B. Carpenter and John E. Blaine, to stop them from sel!ing land which the Miami Improvement Company holds in Norwood for speculative purposes.

Mr. Wernicke alleges that Messrs. Yeiser, Carpenter and Blaine, who are Directors of the Miami Company, are also Directors in the Globe-Wernicke Company, and that they are seeking to favor the latter at the expense of the stockholders of the Miami. He specifies that they Mr. Adams of Orangeburg passed through have allowed the Globe-Wernicke Company free use of the Miami Company's land, which adjoins the plant of the Globe-Wernicke Company in Norwood, and that they are preparing to sell the most valuable part of the tract to the Globe-Wernicke Company for \$5,500, although Mr. Wernicke and others are offering \$7,000 for the same piece of ground.

Judge Thompson allowed a temporary injunction to issue, and the case is set for hearing

The Opportunity Is Here, Backed By Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement.

Read the statements of Maysville citizens And decide for yourself. Here is one case of it:

Mrs. Mary Thomas, wife of J. A. Thomas of 204 Limestone street, Maysville, Ky., says:

"I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."
